

Letter of certification

This is to certify that Keta part number with "G-" prefix means valve with improved surface treatment zinc-nickel plating. Valve with zinc-nickel plating could stand salt spray test up to no less than 750 hours.

Please check some examples of part numbers as below,

Item	Part Name	Standard zinc plating	Zinc-nickel Plating
1	Relief Valve	LDRD-LSN	G-LDRD-LSN
2.	Pilot check valve	LCKBB-XCN	G-LCKBB-XCN
3.	Hand Pump	LHP-10	G-LHP-10
4.	*****		

Best regards,

Ningbo Keta Hydraulics Co., Ltd.
